When You saw it advertised

in the big Magazines, perhaps you did not know that this famous

Ostermoor's 15.

Mattress was for sale in Barre.

If you will step into our store we will show you as fine a line of Ostermoor Mattresses as can be seen anywhere.

We Sell It Here

so do not think you have to go elsewhere or write the manufacturers for information. We consider the Ostermoor the best mattress made. It has mattresses made in imitation of it everlastingly beaten in healthfulness, lasting comfort and real value. And it never has to be renovated, because it is dustproof, and owing to the construction of the eight Ostermoor sheets which compose it, never can pack down, get lumpy or hard.

It is in a class by itself, and its low price makes the purchase of "stuffed mattresses" or inferior imitations the worst kind of false economy.

We are exclusive agents in Barre for this well-known Mattress.

A new change of vaudeville comes to the Pavilion to-day. The famous Melrose Brothers head the program. These gentlemen being considered about the best in their line now in vaudeville, having filled engagements in Europe and Mexico during the last three years. Their return to this country last spring was the subject of many flattering newspaper comments. Their act will doubt be the most enjoyable of its kind yet seen at the Pavilion. Maud Marlow, the character change artist, is well known to the patrons of the larger theatres throughout the country and will no doubt prove very pleasing here.

"The Prodigal Son." A magnificent program offered at the Casino to-day. "The Prodigal Son," extremely impressive and elevating, one of the best of the high class film art productions. The subject was prepared by Henri Lavedan of the French academy. The reel is most beautifully colored. The Oriental costumes give full play for excellent effects. The whole subject has been prepared with extreme care and the acting is superb. Not since the famous "Pasha Play" have we had such an exquisite equal as this beautiful subject, a dramatic subject surpassing all previous efforts. "From Cabin Boy to King"—every schoolboy should see this immensely entertaining melodrama. It is entitled to nothing but praise. A newsboy is stolen by a villainous captain, taken to sea, the ship is wrecked. He is made king among the savages, later rescued by U. S. warship. Simply great.
